"The portraiture segments of "New Realm" are stunningly important work and I hope they get major coverage and ample sales." -Jerry Cullum, senior editor of Art Papers magazine

"I felt, when I walked into that room that I was back at the Hirshhorn in Washington, D.C., or at the Museum of Modern Art. Her technical rendering, of course, is superb. But it's her vision, her conceptualization, that catapults her above the rest." -Deborah Norsworthy of the Children's Museum of Acadiana

"Her skills are excellent, so are her ideas and composition. Amy is one of a kind. Her work stands out in the crowded Art scene." -Roger Loyd, Galleri Loyd, Oslo, Norway

"Taken together, the paintings tell a unified story about a woman who journeys through a mysterious landscape that resembles something out of the Brothers Grimm, relying on her own strength to overcome its dangers and challenges." -Ashley Flanagan, writer, The Times of Acadiana

"At first glance, the sharp details and life-like images stand out in Amy Guidry's paintings. Then, the biting messages start to emerge." -Herman Fuselier, writer, The Daily Advertiser
