"The portraiture segments of "New Realm" are stunningly important work." -Jerry Cullum, Editor-at-Large, Art Papers

"Thank you for your incredible art. Our family loves it." -Jeremy and Ashley Jacobson, Collectors, New Orleans, LA

"Simply amazing. Exquisite in execution and slightly jarring at the same time." -Jill Hackney, Artist, Laurel MD

"I love art and I want my children to appreciate art, too. I let each of my kids choose a piece of art for their room. Savannah, my daughter, has two pieces from Amy Guidry. She makes sure no one who enters her room touches her special art. She asks me when can she get more paintings. My teenager cannot wait to get a painting from Amy's recent work." -Brandy and Mitch Trahan, Collectors, New Iberia, LA

"I felt, when I walked into that room that I was back at the Hirshhorn in Washington, D.C., or at the Museum of Modern Art. Her technical rendering, of course, is superb. But it's her vision, her conceptualization, that catapults her above the rest." -Deborah Norsworthy, Curator of the Heymann Historic Ceiling Tile Art Exhibit for the Children's Museum of Acadiana

"Her skills are excellent, so are her ideas and composition. Amy is one of a kind. Her work stands out in the crowded Art scene." -Roger Loyd, Director, Galleri Loyd, Oslo, Norway

"Amy Guidry's paintings walk a fine line between photorealism and pop surrealism. There are many touchstones in her work — everything from Lewis Carroll's fantasy images to Dave McKean's graphic novel illustrations." -Jarret Keene, Las Vegas City Life

"We are pleased to add Amy's painting to our collection of Louisiana artists, especially being a unique portrait of a zydeco musician." -Dolores Spears, Director, Zigler Art Museum, Jennings, LA.

"Taken together, the paintings tell a unified story about a woman who journeys through a mysterious landscape that resembles something out of the Brothers Grimm, relying on her own strength to overcome its dangers and challenges." -Ashley Flanagan, The Times of Acadiana

"With works that express growth, transformation, and insight, Amy Guidry has become an artist of distinction." -Kathleen DesHotel, The Times Picayune

"Your work is truly powerful." -Buddy Nestor, Artist, Delanco, NJ

"Amy's pieces are a unique addition to our home. As unique pieces they are a wonderful respite from the 'ordinary'." -Lana and Chris Mixon, Collectors, Lafayette, LA

"Thank you so much for being a part of our Small Works Show. Your painting was such a gem. Robert and I were planning on buying it if it didn't sell in the show." -Megan and Robert Lange, Robert Lange Studios, Charleston, SC
